At the Effective Time of the Merger, the Certificate of Incorporation of GSSC, as in effect immediately prior to the Effective Time of the Merger, shall continue to be the Certificate of Incorporation of GSSC as the Surviving Corporation, unless and until the same shall be amended thereafter as provided by law and the terms of such Certificate of Incorporation.

(b) Bylaws. At the Effective Time of the Merger, the Bylaws of GSSC, as in effect immediately prior to the Effective Time of the Merger, shall continue to be the Bylaws of GSSC as the Surviving Corporation, unless and until amended or repealed as provided by law, its Certificate of Incorporation and such Bylaws.

AGREEMENT AND PLAN OF REORGANIZATION - PAGE 10

(c) Directors and Officers. The directors and officers of GSSC in office immediately prior to the Effective Time of the Merger shall continue thereafter to be the directors and officers of the Surviving Corporation, to hold office as provided in the Certificate of Incorporation and Bylaws of the Surviving Corporation, unless and until their successors shall have been elected or appointed and shall have qualified or until they shall have been removed in the manner provided therein.

(d) Name. The name of GSSC as the Surviving Corporation following the Merger shall remain unchanged and continue to be:

GRENADA SUNBURST SYSTEM CORPORATION

or such corporate name as GSSC shall elect to adopt.

2.3 Due Diligence Review. Each Party shall be entitled to conduct a preliminary due diligence review of the Records and operations of the other Party, including, but not limited to, a review of the Party's loan portfolios, ORE and classified assets, investment portfolios and properties, to verify the reasonableness of the other Party's earnings projections, growth projections and sustained earnings prospects after consummation of the Merger at reasonable growth rates; provided, however, that any review conducted by a Party pursuant to the provisions of this Section 2.3 shall be completed within thirty (30) days from the date of this Reorganization Agreement.

2.4 Availability of Information. Promptly after the execution by the Parties of this Reorganization Agreement, each Party shall provide to the other Party, its Officers, employees, agents, and representatives access, on reasonable notice and during customary business hours, to all of the Records, properties and facilities of the Party and shall use its best efforts to cause its Officers, employees, agents and representatives to cooperate with any of the reviewing Party's reasonable requests for information which would be customary in order to conduct the review provided for in Section 2.3 of this Reorganization Agreement. Each Party shall keep all non-public information disclosed to it by the other Party

with respect to the transactions contemplated in this Reorganization Agreement confidential pursuant to that certain Confidentiality Agreement dated June 21, 1994, and shall not disclose or use such information in any manner without the prior written consent of the other Party.

2.5 UPC's Right to Revise the Structure of the Transaction. UPC shall have the unilateral right to revise the structure of the corporate Reorganization contemplated by this

AGREEMENT AND PLAN OF REORGANIZATION - PAGE 11

Reorganization Agreement and the Plan of Merger in order to achieve tax benefits or for any other reason which UPC may deem advisable; provided, however, that UPC shall not have the right, without the approval of the Board of Directors of GSSC, to make any revision to the structure of the Reorganization which (i) changes the amount of Consideration which the GSSC Record Holders are entitled to receive; (ii) changes the intended tax-free effects of the Merger to UPC, INTERIM, GSSC, SBM, SBL or the GSSC Record Holders; (iii) would permit UPC to pay the Consideration other than by delivery of shares of UPC Common Stock registered with the SEC (in the manner described in Section 6.1 of this Reorganization Agreement); or (iv) adversely affects the economic benefits of the transaction from the perspective of the GSSC Record Holders. UPC may exercise this right of revision by giving written Notice to GSSC, SBM or SBL in the manner provided in Section 10.1 of this Reorganization Agreement, which Notice shall be in the form of an amendment to this Reorganization Agreement and/or the Plan of Merger or in the form of an Amended and Restated Agreement and Plan of Reorganization and/or Plan of Merger.

2.6 Holding Period of UPC Common Stock. GSSC, SBM and SBL hereby acknowledge and agree that, in order to qualify the Merger under the Internal Revenue Code as a tax-free reorganization and for accounting purposes as a pooling of interests under the rules and regulations promulgated by the SEC, Accounting Principles Board Opinion No. 16 and GAAP, any GSSC Record Holder who would be deemed an Affiliate of GSSC by GSSC at the time of Closing under the Securities Laws and who accepts shares of UPC Common Stock as Consideration for the cancellation, exchange and conversion of his shares of GSSC Common Stock in connection with the Merger, shall be required by GSSC to deliver, and GSSC shall use its best efforts to obtain, an agreement that the Affiliate shall not (a) pledge, assign, sell, transfer, devise, otherwise alienate or take any action which would eliminate or diminish the risk of owning or holding the shares of UPC Common Stock to be received by such GSSC Record Holder upon consummation of the Merger, nor (b) enter into any formal or informal agreement to pledge, assign, sell or transfer, devise, or otherwise alienate his right, title and interests in any of the shares of GSSC Common Stock held prior to the Merger or UPC Common Stock to be delivered by UPC to such GSSC Record Holder in connection with the Merger for a period of thirty (30) days prior to Closing and until such time as UPC shall have publicly released a statement of UPC's earnings reflecting the combined financial results of operations of UPC and GSSC for a period of not less than thirty (30) days subsequent to the Effective Time of the Merger. GSSC further acknowledges and agrees that any UPC Common Stock Certificates issued in connection with the Merger to GSSC Record Holders who would be deemed Affiliates of GSSC or UPC

AGREEMENT AND PLAN OF REORGANIZATION - PAGE 12

at the time of Closing under the Securities Laws shall be subject to and bear a restrictive legend substantially in the form as follows:

THE SHARES OF STOCK REPRESENTED BY THIS CERTIFICATE ARE HELD SUBJECT TO ALL APPLICABLE PROVISIONS OF THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), AND THE RULES AND REGULATIONS PROMULGATED BY THE SECURITIES AND EXCHANGE COMMISSION ("SEC") THEREUNDER. NO SALES, TRANSFERS OR OTHER DISPOSITION OF THESE SHARES MAY BE MADE EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT (OTHER THAN A REGISTRATION STATEMENT ON SEC FORM S-4) OR UPON THE PRIOR DELIVERY TO UNION PLANTERS CORPORATION ("UPC") OF AN OPINION FROM LEGAL COUNSEL, SATISFACTORY TO UPC, IN FORM AND SUBSTANCE SATISFACTORY TO UPC AND ITS LEGAL COUNSEL, STATING THAT SUCH SALE OR OTHER DISPOSITION IS BEING MADE PURSUANT TO AND IN ACCORDANCE WITH THE

REQUIREMENTS OF SEC RULES 144 AND 145 OR IS OTHERWISE EXEMPT FROM REGISTRATION UNDER THE SECURITIES ACT. NO SALE, TRANSFER, OR OTHER DISPOSITION OF THESE SHARES MAY BE MADE UNTIL AFTER THE PUBLICATION OF FINANCIAL RESULTS COVERING AT LEAST 30 DAYS OF POST MERGER COMBINED OPERATIONS OF UPC AND GRENADA SUNBURST SYSTEM CORPORATION. NO AGREEMENT MAY BE ENTERED INTO BY THE HOLDER OF THIS CERTIFICATE WHICH WOULD ALLOW OR REQUIRE THE SALE, TRANSFER, OR OTHER DISPOSITION OF THESE SHARES OR WHICH WOULD OTHERWISE REDUCE THE RISK BORNE BY THE SHAREHOLDER NAMED ON THE REVERSE SIDE OF THIS CERTIFICATE SUBSEQUENT TO THE CONSUMMATION OF THE MERGER DURING THE TIME PERIOD MENTIONED ABOVE.

2.7 GSSC Stock Options and Treasury Stock. Except as described in Schedule 2.7 hereto, as of the date of this Reorganization Agreement, there are 14,478 validly issued and outstanding options to purchase shares of GSSC Common Stock, which were issued by GSSC to certain officers of GSSC and the GSSC Subsidiaries in connection with the GSSC Key Employees Stock Plan and no other options, rights, warrants, scrip or similar rights to purchase shares of GSSC Common Stock (collectively, the "GSSC Stock Options") are (or have been) issued and outstanding by GSSC other than those which may be issuable pursuant to GSSC's various stock option and incentive plans. It is contemplated by the Parties hereto that all validly issued and outstanding GSSC Stock Options outstanding immediately prior to the Effective Time of the Merger would be automatically converted at the Effective Time of the Merger into options to purchase shares of UPC Common Stock based on the Exchange Ratio. Therefore, in the event and to the extent that there are any GSSC Stock Options validly issued and outstanding at the time of Closing, such GSSC Stock Options shall at the Effective Time of the Merger automatically, and without further action on the part of anyone, be converted

AGREEMENT AND PLAN OF REORGANIZATION - PAGE 13

into options to purchase shares of UPC Common Stock on the same terms and conditions attributable to the GSSC Stock Options to purchase shares of GSSC Common Stock in effect as of the date of this Reorganization Agreement adjusted in all respects by and in accordance with the Exchange Ratio (i.e. if an existing GSSC Stock Option for the purchase of 10,000 shares of GSSC Common Stock were exercisable at \$22.375 per share of GSSC Common Stock and the Exchange Ratio were 1.4206, then at the Effective Time of the Merger such unexercised GSSC Stock Option would automatically convert into an option to purchase 14,206 shares of UPC Common Stock at an exercise price of \$15.75 per share). As of the date of this Reorganization Agreement, GSSC has not repurchased or accelerated the vesting period of any GSSC Stock Options other than pursuant to the terms and conditions of the GSSC Key Employees Stock Plan, nor will it repurchase or accelerate the purchase rights of any GSSC Stock Options, and GSSC has not repurchased any shares of its capital stock. As of the date of this Reorganization Agreement, there are no shares of GSSC Common Stock held by GSSC as Treasury Stock, nor will there be any such shares at the Effective Time of the Merger.

ARTICLE 3

DESCRIPTION OF TRANSACTION

3.1 Terms of the Merger.

(a) Satisfaction of Conditions to Closing. After the transactions contemplated herein have been approved by the shareholders of UPC and the stockholders of GSSC and the INTERIM, and each other condition to the obligations of the Parties hereto, other than those conditions which are to be satisfied by delivery of documents by any Party to any other Party, has been satisfied or, if lawfully permitted, waived by the Party or Parties entitled to the benefits thereof, a closing (the "Closing") will be held on the date (the "Closing Date") and at the time of day and place referred to in Section 3.2 of this Reorganization Agreement. At the Closing the Parties shall use their respective best efforts to deliver the certificates, letters and opinions which constitute conditions precedent to effecting the Merger and each Party will provide the other Parties with such proof or indication of satisfaction of the conditions to the obligations of such other Parties to consummate the Merger as such other Parties may reasonably require. If all conditions to the obligations of each of the Parties shall have been satisfied or lawfully waived by the Party entitled to the benefits thereof, the Parties shall, at the Closing, duly execute a Certificate of Merger for filing with the Secretary of

AGREEMENT AND PLAN OF REORGANIZATION - PAGE 14

shall take all steps necessary or desirable to consummate the Merger in accordance with all applicable laws, rules and regulations and the Plan of Merger. The Parties shall thereupon take such other and further actions as UPC shall direct or as may be required by law or this Reorganization Agreement to consummate the transactions contemplated herein.

(b) Effective Time of the Merger. Upon the satisfaction of all conditions to Closing (except those conditions waived by the Parties), the Merger shall become effective on the date and at the time of filing of a Certificate of Merger with the Secretary of State of the State of Delaware or at such later date and/or time as may be agreed upon by the Parties and set forth in the Certificate of Merger so filed (the "Effective Time of the Merger").

(c) Conversion of Shares of INTERIM. At the Effective Time of the Merger, each share of \$.01 par value common stock of INTERIM (the "INTERIM Common Stock") issued and outstanding immediately prior to the Effective Time of The Merger shall, by virtue of the Merger becoming effective and without any further action on the part of anyone, be converted into and become one share of the issued and outstanding common stock of the Surviving Corporation.

(d) Conversion and Cancellation of Shares of GSSC. At the Effective Time of the Merger, each share of \$1.00 par value common stock of GSSC (the "GSSC Common Stock") validly issued and outstanding immediately prior to the Effective Time of the Merger shall, by virtue of the Merger becoming effective and without any further action on the part of anyone, be converted, exchanged and cancelled as provided in Section 3.1(e) hereof.

(e) Conversion and Exchange of GSSC Shares; Exchange Ratio. At the Effective Time of the Merger, the outstanding shares of GSSC Common Stock held by the GSSC Record Holders immediately prior to the Effective Time of the Merger shall, without any further action on the part of anyone, cease to represent any interest (equity, stockholder or otherwise) in GSSC and shall automatically be converted exclusively into, and constitute only the right of the GSSC Record Holders to receive in exchange for their shares of GSSC Common Stock, whole shares of UPC Common Stock and a cash payment in settlement of any remaining fractional share of UPC Common Stock in accordance with the terms and conditions of this Section 3.1(e) and the Plan of Merger. The shares of UPC Common Stock and the cash settlement of any remaining fractional share of UPC Common Stock deliverable by UPC or INTERIM to the GSSC Record Holders pursuant to the terms of this Reorganization Agreement are sometimes collectively referred to herein as the "Consideration."

AGREEMENT AND PLAN OF REORGANIZATION - PAGE 15

The number of shares of UPC Common Stock to be exchanged for each share of GSSC Common Stock issued and outstanding immediately prior to the Effective Time of the Merger shall be based on an exchange ratio (the "Exchange Ratio") as determined and set forth in this Section 3.1(e). The Exchange Ratio shall be determined as follows:

(A) In the event the Current Market Price Per Share of UPC Common Stock should be greater than or equal to \$24.00 per share of UPC Common Stock but less than or equal to \$29.25 per share of UPC Common Stock (the "Primary Collar"), the Exchange Ratio shall be fixed at 1.4206 shares of UPC Common Stock for each share of GSSC Common Stock validly issued and outstanding immediately prior to the Effective Time of the Merger;

(B) In the event the Current Market Price Per Share of UPC Common Stock should be greater than \$29.25 per share of UPC Common Stock but less than or equal to \$31.25 per share of UPC Common Stock (the "Upper Secondary Collar"), the Exchange Ratio shall

be based on (a) a fixed price of \$41.55 per share of GSSC Common Stock divided by (b) the Current Market Price Per Share of UPC Common Stock for each share of GSSC Common Stock validly issued and outstanding immediately prior to the Effective Time of the Merger;

(C) In the event the Current Market Price Per Share of UPC Common Stock should be greater than \$31.25 per share of UPC Common Stock (the "Ceiling"), the Exchange Ratio shall be fixed at 1.3296 shares of UPC Common Stock for each share of GSSC Common Stock validly issued and outstanding immediately prior to the Effective Time of the Merger; provided, however, that UPC would have the right to either deliver shares of UPC Common Stock based on the fixed Exchange Ratio of 1.3296 or to terminate the transaction; provided, however, should UPC elect to terminate the transaction under this provision, GSSC shall have the unilateral right to reinstate the transaction by accepting in exchange for each share of GSSC Common Stock validly issued and outstanding immediately prior to the Effective Time of the Merger that number of shares of UPC Common Stock at the Current Market Price Per Share sufficient to equal \$41.55 per share of GSSC Common Stock;

(D) In the event the Current Market Price Per Share of UPC Common Stock should be greater than or equal to \$22.00 per share of UPC Common Stock but less than \$24.00 per share of UPC Common Stock (the "Lower Secondary

AGREEMENT AND PLAN OF REORGANIZATION - PAGE 16

Collar"), the Exchange Ratio shall be based on (a) a fixed price of \$34.09 per share of GSSC Common Stock divided by (b) the Current Market Price Per Share of UPC Common Stock for each share of GSSC Common Stock validly issued and outstanding immediately prior to the Effective Time of the Merger; and

(E) In the event the Current Market Price Per Share of UPC Common Stock should be less than \$22.00 per share of UPC Common Stock (the "Floor"), the Exchange Ratio shall be fixed at 1.5495 shares of UPC Common Stock for each share of GSSC Common Stock validly issued and outstanding immediately prior to the Effective Time of the Merger; provided, however, that subject to the terms and provisions of Section 3.3 of this Reorganization Agreement, GSSC shall have the right to either accept the fixed Exchange Ratio of 1.5495 or terminate the transaction in accordance with the terms and provisions of Section 3.3 of this Reorganization Agreement; provided, however, that should GSSC elect to terminate the transaction under this provision and the Current Market Price Per Share of UPC Common Stock should be greater than or equal to \$18.50, UPC shall have the unilateral right to reinstate the transaction by delivering in exchange for each share of GSSC Common Stock validly issued and outstanding immediately prior to the Effective Time of the Merger shares of UPC Common Stock based on that number of shares of UPC Common Stock at the Current Market Price Per Share sufficient to equal \$34.09 per share of GSSC Common Stock.

The Exchange Ratio as determined in this Section 3.1(e) shall be based on an aggregate of no more than 9,600,000 shares of GSSC Common Stock being validly issued and outstanding immediately prior to the Effective Time of the Merger and, for purposes of this paragraph, counting all unexercised GSSC Stock Options issued and outstanding immediately prior to the Effective Time of the Merger as issued and outstanding shares of GSSC Common Stock so converted and exchanged; provided, however, that no fractional shares of UPC Common Stock shall be issued and if, after aggregating all of the shares of UPC Common Stock to which a GSSC Record Holder is entitled based upon the Exchange Ratio, there shall be a fractional share of UPC Common Stock remaining, such fractional share shall be settled by a cash payment therefor pursuant to the Mechanics of Payment of the Consideration set forth in Section 3.1(f) hereof, which shall be calculated based upon the Current Market Price Per Share of one (1) full share of UPC Common Stock.

(1) DEFINITION OF "CURRENT MARKET PRICE PER SHARE." The "Current Market Price Per Share" shall be the

average closing price per share of the "last" real time trades (i.e., closing price) of the UPC Common Stock on the NYSE (as published in The Wall Street Journal, Eastern Edition) for each of the twenty (20) NYSE general market trading days on which the NYSE was open for business next preceding the issuance of all necessary Regulatory Approvals (the "Pricing Period"). In the event the UPC Common Stock should not trade on one or more of the trading days during the Pricing Period (a "No Trade Date"), any such No Trade Date shall be disregarded in computing the average closing price per share of UPC Common Stock and the average shall be based upon the "last" real time trades and number of days on which the UPC Common Stock actually traded during the Pricing Period.

(2) EFFECTS OF APPRAISAL RIGHTS ON THE EXCHANGE RATIO. The Exchange Ratio shall be unaffected by appraisal rights as granted under Delaware law because the GSSC Common Stock is listed for trading on the NASDAQ National Market System, which is a "national securities exchange" as defined in rules promulgated by the SEC pursuant to the 1934 Act, and therefore, pursuant to Delaware Code Section 8-503-262, no GSSC Record Holder may assert appraisal rights in connection with the Merger or the transactions contemplated in this Reorganization Agreement.

(3) EFFECT OF STOCK SPLITS, REVERSE STOCK SPLITS, STOCK DIVIDENDS AND SIMILAR CHANGES IN THE CAPITAL OF GSSC OR UPC. Should GSSC or UPC effect any stock splits, reverse stock splits, stock dividends or similar changes in their respective capital accounts subsequent to the date of this Reorganization Agreement but prior to the Effective Time of the Merger, the Exchange Ratio shall be adjusted in such a manner as the Board of Directors of UPC shall deem in good faith to be fair and reasonable in order to give effect to such changes subject to GSSC's Board of Directors' approval.

(f) Mechanics of Payment of Consideration. As soon as reasonably practicable, but in any event no more than five (5) Business Days after the Effective Time of the Merger, the Corporate Trust Department of Union Planters National Bank, Memphis, Tennessee (the "Exchange Agent") shall deliver to each of the GSSC Record Holders such materials and information deemed necessary by the Exchange Agent to advise the GSSC Record Holders of the procedures required for proper surrender of their certificates evidencing and representing shares of the GSSC Common Stock in order for the GSSC Record Holders to receive the Consideration. Such materials shall include, without limitation, a Letter of Transmittal, an Instruction Sheet, and a return

mailing envelope addressed to the Exchange Agent (collectively the "Stockholder Materials"). All Stockholder Materials shall be sent by United States mail to the GSSC Record Holders at the addresses set forth on a certified stockholder list to be delivered by GSSC to UPC at the Closing (the "Stockholder List") and shall also be made available at the Corporate Trust Department offices of the Exchange Agent. As soon as reasonably practicable thereafter, the GSSC Record Holders of all of the outstanding shares of GSSC Common Stock, shall be requested by the Exchange Agent to deliver, or cause to be delivered, by United States Postal Service, hand delivery or any other means of delivery selected by such GSSC Record Holders, to the Exchange Agent, pursuant to the Stockholder Materials, the certificates formerly evidencing and representing all of the shares of GSSC Common Stock which were validly issued and outstanding immediately prior to the Effective Time of the Merger, and the Exchange Agent shall take prompt action to process such certificates formerly evidencing and representing shares of GSSC Common Stock received by it (including the prompt return of any defective submissions with instructions as to those actions which may be necessary to remedy any defects). Upon receipt of the proper submission of the certificate(s) formerly representing and evidencing ownership of the shares of GSSC Common Stock, the Exchange Agent shall, on or prior to the 30th day after the Effective Time of the Merger but as soon as practicable mail, to the former GSSC Record Holders in exchange for the certificate(s) surrendered by them, the Consideration to be delivered for each such GSSC Record Holder's shares of GSSC Common Stock evidenced by the certificate or certificates which

were cancelled and converted exclusively into the right to receive the Consideration upon the Merger becoming effective. After the Effective Time of the Merger and until properly surrendered to the Exchange Agent, each outstanding certificate or certificates which formerly evidenced and represented the shares of GSSC Common Stock of a GSSC Record Holder, subject to the provisions of this Section, shall be deemed for all corporate purposes to represent and evidence only the right to receive the Consideration into which such GSSC Record Holder's shares of GSSC Common Stock were converted and aggregated at the Effective Time of the Merger. Unless and until the outstanding certificate or certificates, which immediately prior to the Effective Time of the Merger evidenced and represented the GSSC Record Holder's GSSC Common Stock shall have been properly surrendered as provided above, the Consideration payable to the GSSC Record Holder(s) of the cancelled shares as of any time after the Effective Date shall not be delivered to the GSSC Record Holder(s) of such certificate(s) until such certificates shall have been surrendered in the manner required. Each GSSC Record Holder shall be responsible for all federal, state and local taxes which may be incurred by such holder on account of the receipt of any

AGREEMENT AND PLAN OF REORGANIZATION - PAGE 19

Consideration. The GSSC Record Holder(s) of any certificate(s) which shall have been lost or destroyed may nevertheless, subject to the provisions of this Section, receive the Consideration to which each such GSSC Record Holder is entitled, provided that each such GSSC Record Holder shall deliver to UPC and to the Exchange Agent: (i) a sworn statement certifying the fact of such loss or destruction and specifying the circumstances thereof and (ii) a lost instrument bond in form satisfactory to UPC and the Exchange Agent which has been duly executed by a corporate surety satisfactory to UPC and the Exchange Agent, indemnifying the Surviving Corporation, UPC, the Exchange Agent (and their respective successors) to their satisfaction against any loss or expense which any of them may incur as a result of such lost or destroyed certificates being thereafter presented. Any costs or expenses which may arise from such replacement procedure, including the premium on the lost instrument bond, shall be for the account of the GSSC Record Holder.

(g) Stock Transfer Books. At the Effective Time of the Merger, the stock transfer books of GSSC shall be closed and no transfer of shares of GSSC Common Stock shall be made thereafter.

(h) Effects of the Merger. At the Effective Time of the Merger, the separate existence of INTERIM shall cease, and INTERIM shall be merged with and into GSSC which, as the Surviving Corporation, shall thereupon and thereafter possess all of the assets, rights, privileges, appointments, powers, licenses, permits and franchises of GSSC and INTERIM, whether of a public or a private nature, and shall be subject to all of the liabilities, restrictions, disabilities and duties of both GSSC and INTERIM.

(i) Transfer of Assets. At the Effective Time of the Merger, all rights, assets, licenses, permits, franchises and interests of GSSC and INTERIM in and to every type of property, whether real, personal, or mixed, whether tangible or intangible and wherever located, and to choses in action shall be deemed to be vested in GSSC as the Surviving Corporation by virtue of the Merger becoming effective and without any deed or other instrument or act of transfer whatsoever.

(j) Assumption of Liabilities. At the Effective Time of the Merger, the Surviving Corporation shall become and be liable for all debts, liabilities, obligations and contracts of GSSC as well as those of INTERIM, whether the same shall be matured or unmatured; whether accrued, absolute, contingent or otherwise; and whether or not reflected or reserved against in the balance sheets, other financial statements, books of account or records of GSSC or INTERIM.

AGREEMENT AND PLAN OF REORGANIZATION - PAGE 20

(k) Appraisal Rights of GSSC Stockholders. Pursuant to the provisions of Section 8-503-262 of the Delaware Code, GSSC Stockholders shall not be entitled to assert appraisal rights in connection

with the Merger or to seek those appraisal remedies afforded by the Delaware Code because the GSSC Common Stock is listed for trading on the NASDAQ, National Market System which is a "national securities exchange" as defined in rules promulgated by the SEC pursuant to the 1934 Act, and therefore, pursuant to Delaware Code Section 8-503-262, no GSSC Record Holder may assert appraisal rights in connection with the Merger or the transactions contemplated in this Reorganization Agreement.

(1) Reservation, Registration and Listing of shares of UPC Common Stock. UPC shall reserve for issuance, register under the applicable Securities Laws and apply for listing for trading on the NYSE a sufficient number of shares of UPC Common Stock for the purpose of issuing shares of UPC Common Stock to (i) the GSSC Record Holders in accordance with the terms and conditions of this Section 3.1 and (ii) the holders of outstanding GSSC Stock Options issued under the terms of the GSSC Key Employees Stock Plan.

3.2 Time and Place of Closing. The Closing shall take place at 10:00 a.m. on the Business Day next preceding the date on which the Effective Time of the Merger is expected to occur, or at such other time as the Parties, acting through their chief executive officers, presidents or chief financial officers, may mutually agree (the "Closing Date"). The place of Closing shall be at the Union Planters Administrative Center, Union Planters Corporation Executive Offices (Fourth Floor), 7130 Goodlett Farms Parkway, Memphis, Shelby County, Tennessee 38018. The Closing may be held at such other time and place as may be mutually agreed upon by the Parties.

3.3 Price Based Termination. This Reorganization Agreement may be terminated by GSSC without penalty, if the GSSC Board of Directors so determines by a majority vote, if (a) the Current Market Price Per Share of UPC Common Stock should be less than \$18.50; or (b) should both of the following conditions be satisfied:

(i) The Current Market Price Per Share of a share of UPC Common Stock shall be less than \$22.00; and

(ii) (A) The number obtained by dividing the Current Market Price Per Share of UPC Common Stock by \$26.75 (the closing price per share of UPC Common Stock, as reported on the NYSE Composite Transactions Tape reporting system on June 30, 1994), shall be less than (B) the number obtained by dividing the average of the

AGREEMENT AND PLAN OF REORGANIZATION - PAGE 21

Index Price (as defined below) for the Pricing Period by the Index Price on June 30, 1994 (the last NYSE trading day immediately preceding the date of the first public announcement of entry by the Parties into this Reorganization Agreement) and subtracting 0.10 from the quotient in this clause (B); subject, however, to the following three sentences.

In the event GSSC should elect to exercise its termination right pursuant to the foregoing, it must give prompt written notice to UPC. Upon the proper receipt of such notice, UPC shall (provided the Current Market Price Per Share of UPC Common Stock is greater than or equal to \$18.50) have the option to increase the Consideration to be received by the GSSC Record Holders in the Merger by adjusting the Exchange Ratio to equal the number (calculated to the nearest one one-hundredth) obtained by dividing \$34.09 (being the product of \$22.00 and the Exchange Ratio) by the Current Market Price Per Share of UPC Common Stock (the "Maximum Exchange Ratio"). If UPC should so elect, it must give prompt written notice to GSSC of such election and the adjusted Exchange Ratio, whereupon no termination will be deemed to have occurred, and this Reorganization Agreement shall remain in full force and effect in accordance with its terms (except as the Exchange Ratio shall have been so modified).

For purposes of this provision of this Reorganization Agreement, the following definitions shall apply:

"Index Group" means the fifteen (15) companies listed on Schedule 3.3 to this Reorganization Agreement. In the event that the common stock of any such company should cease to be publicly traded or should a proposal to acquire any such company be announced after June 30, 1994, such company shall be removed from the Index Group.

"Index Price," on a given date, means the average of the closing

prices on such date of the common stocks of the companies comprising the Index Group.

Prior to making any decision to terminate this Reorganization Agreement, the GSSC Board of Directors shall consult with its financial and other advisers and shall consider all financial and other information it should deem relevant to its decision. The matter would not, however, be resubmitted to the GSSC Record Holders after the GSSC Stockholder Meeting.

As of the date hereof and as of the Effective Time of the Merger, UPC and INTERIM represent and warrant to GSSC as follows:

4.1 Organization and Corporate Authority. UPC is a corporation duly organized, validly existing and in good standing under the laws of the State of Tennessee. INTERIM is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware. Each of UPC's material Subsidiaries is duly organized, validly existing and in good standing under the laws of the jurisdiction of its formation. UPC, INTERIM and all material UPC Subsidiaries (i) have the requisite corporate power and authority to own, operate and lease their material properties and carry on their businesses as they are currently being conducted; (ii) are in good standing and are duly qualified to do business in each jurisdiction where the character of their properties owned or held under lease or the nature of their business makes such qualification necessary and where the failure to so qualify would individually or in the aggregate have a material adverse effect on the condition (financial or otherwise), affairs, business, assets or prospects of UPC and all UPC Subsidiaries, taken as a whole; and (iii) have in effect all federal, state, local and foreign governmental authorizations, permits and licenses necessary for them to own or lease their respective properties and assets and to carry on their businesses as they are currently being conducted. The corporate Charter and Bylaws of UPC and the Certificate of Incorporation and Bylaws of INTERIM, as amended to date, are in full force and effect as of the date of this Reorganization Agreement.

4.2 Authorization, Execution and Delivery; Reorganization Agreement Not in Breach.

(a) UPC and INTERIM have all requisite corporate power and authority to execute and deliver this Reorganization Agreement and the Plan of Merger and to consummate the transactions contemplated hereby and thereby. AGREEMENT AND PLAN OF REORGANIZATION - PAGE 23

other corporate proceedings on the part of UPC or INTERIM are (or will be) necessary to authorize such execution and delivery, and constitute (or upon execution will constitute) legal, valid and enforceable obligations of UPC and INTERIM, subject, as to enforceability, to applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally, and to the application of equitable principles and judicial discretion.

(b) The execution and delivery of this Reorganization Agreement and the Plan of Merger, the consummation of the transactions contemplated hereby and thereby and the fulfillment of the terms hereof and thereof will not result in a violation or breach of any of the terms or provisions of, or constitute a default under (or an event which, with the

passage of time or the giving of notice or both, would constitute a default under), or conflict with, or permit the acceleration of any obligation under, any material mortgage, lease, covenant, agreement, indenture or other instrument to which UPC, INTERIM or any material UPC Subsidiary is a party or by which they or their property or any of their assets are bound; the corporate Charter and Bylaws of UPC or the Certificate of Incorporation and Bylaws of INTERIM; or any judgment, decree, order, regulatory letter of understanding or award of any court, governmental body, authority or arbitrator by which UPC, INTERIM or any material UPC Subsidiary is bound; or any permit, concession, grant, franchise, license, law, statute, ordinance, rule or regulation applicable to UPC, INTERIM or any material UPC Subsidiary or their properties; or result in the creation of any lien, claim, security interest, encumbrance, charge, restriction or right of any third party of any kind whatsoever upon the property or assets of UPC, INTERIM or any material UPC Subsidiary, except that the Government Approvals shall be required in order for UPC and INTERIM to consummate the Merger.

4.3 No Legal Bar. Since December 31, 1993, neither GSSC nor any GSSC

The allowance for possible losses on other real estate ("ORE") shown on the Audited Financial Statements of GSSC is (with respect to periods ended on or before December 31, 1993) or will be (with respect to periods ending subsequent to December 31, 1993) adequate in all respects to provide for anticipated losses inherent in ORE owned or held by GSSC or any GSSC Subsidiary and the net book value of ORE on the Balance Sheet of the Audited Financial Statements of GSSC is the fair value of the ORE determined in accordance with Statement of Position 92-3.

5.24 Compliance with Laws. GSSC and each GSSC Subsidiary:

(a) To the best of the knowledge, information and belief of the management of GSSC and each GSSC Subsidiary, is in compliance with all laws, rules, regulations, reporting and licensing requirements, and orders applicable to its business or employees conducting its business (including, but not limited to, those relating to consumer disclosure and currency transaction reporting) the breach or violation of which would or could reasonably be expected to have a material adverse effect on the financial condition or operations of GSSC or any GSSC Subsidiary, or which would or could reasonably be expected to subject GSSC or any GSSC Subsidiary or any of its directors or officers to civil money penalties; and

(b) Has received no notification or communication from any agency or department of federal, state, or local government or any of the Regulatory Authorities, or the staff thereof (i) asserting that GSSC or any GSSC Subsidiary is not in compliance with any of the statutes, rules, regulations, or ordinances which such governmental authority or Regulatory Authority enforces, which, as a result of such noncompliance, would result in a material adverse impact on GSSC or any GSSC Subsidiary, (ii) threatening to revoke any license, franchise, permit, or governmental authorization which is material to the

AGREEMENT AND PLAN OF REORGANIZATION - PAGE 48

financial condition or operations of GSSC or any GSSC Subsidiary, or (iii) requiring GSSC or any GSSC Subsidiary to enter into a cease and desist order, consent, agreement, or memorandum of understanding.

5.25 Employee Benefit Plans.

(a) GSSC has previously provided to UPC true and complete copies of each "employee pension benefit plan," as defined in Section 3(2) of the Employee Retirement Income Security Act of 1974 ("ERISA") which, to the best of its knowledge, is subject to any provision of ERISA and covers any employee, whether active or retired, of GSSC or any GSSC Subsidiary or any other entity which is a member of a controlled group or is under common control with GSSC or its Subsidiaries in the manner defined and further described in Section 414(b), (c), or (m) of the Internal Revenue Code. Such plans are

hereinafter referred to collectively as the "Employee Pension Benefit Plans", and each such Employee Pension Benefit Plan is listed in Schedule 5.25(a) hereto. GSSC has also provided to UPC true and complete copies of all trust agreements, collective bargaining agreements, and insurance contracts related to such Employee Pension Benefit Plans.

To the best knowledge of GSSC and its Subsidiaries, each Employee Pension Benefit Plan which is intended to be qualified under Section 401(a) of the Internal Revenue Code is so qualified and each trust forming a part thereof is exempt from tax pursuant to Section 501(a) of the Internal Revenue Code. Copies of the latest determination letters concerning the qualified status of each Employee Pension Benefit Plan which is intended to be qualified under Section 401(a) of the Internal Revenue Code have been provided to UPC. Requests for determination letters relating to amendments required to cause such Employee Pension Benefit Plans to be in compliance with the Tax Equity and Fiscal Responsibility Act of 1982, the Deficit Reduction Act of 1984 and the Retirement Equity Act of 1984 were timely filed and have been received by GSSC and its Subsidiaries. Requests for determination letters relating to any subsequent amendments to such plans which are currently pending have been provided to UPC. All such requests were timely and properly filed and appropriate notice of any such filing was timely and properly provided to affected plan participants and beneficiaries.

To the best of the knowledge, information and belief of GSSC, SBM and SBL, each of the Employee Pension Benefit Plans has been operated in substantial conformity with the written provisions of the applicable plan documents which have been delivered to UPC and in substantial compliance with the

AGREEMENT AND PLAN OF REORGANIZATION - PAGE 49

requirements prescribed by all statutes, orders, rules, and regulations including, but not limited to, ERISA and the Internal Revenue Code, which are applicable to such Employee Pension Benefit Plans. To the extent that the operation of an Employee Pension Benefit Plan has deviated from the written provisions of the plan, such operational deviations have been disclosed in Schedule 5.25(a) hereto. All such deviations have been made in conformity with applicable laws, including ERISA and the Internal Revenue Code.

With respect to Employee Pension Benefit Plans which are subject to the annual report requirement of ERISA Section 103 or to the annual return requirement of Internal Revenue Code Section 6047, all required annual reports and annual returns, or such other documents as may have been required as alternative means of compliance with the annual report requirement, have been timely filed. Copies of all such annual returns/reports, including all attachments and Schedules, for the three (3) plan years immediately preceding the current date have been delivered to UPC. With respect to Employee Pension Benefit Plans which complied with the annual return requirement by satisfaction of an alternate compliance method, any documents required to be filed with the Department of Labor in satisfaction of such requirements have been provided to UPC.

With respect to all Employee Pension Benefit Plans which are subject to the summary plan description requirement of ERISA Section 102, all such summary plan descriptions as were required to be filed with the Department of Labor and distributed to participants and beneficiaries have been timely filed and distributed. Copies of all such summary plan descriptions have been delivered to UPC. No Employee Pension Benefit Plan constitutes a "multiemployer plan" as defined in Section 4001(a)(3) of ERISA.

No Employee Pension Benefit Plan subject to Part III of Subtitle B of ERISA or Section 412 of the Internal Revenue Code, or both, has incurred an "accumulated funding deficiency" within the meaning of Internal Revenue Code Section 412, whether or not waived. All required contributions to all Employee Pension Benefit Plans have been timely made. Any penalties or taxes which have been incurred by GSSC or its Subsidiaries or by any Employee Pension Benefit Plan with respect to the timing or amount of payment of any contribution to an Employee Pension Benefit Plan have been timely paid. The limitations of Internal Revenue Code Section 415 have not been exceeded with respect to any Employee Pension Benefit Plan or combination of such plans to which such limitations apply.

No "reportable event" (as described in Section 4043(b) of ERISA) has occurred with respect to any Employee Pension Benefit Plan. No Employee Pension Benefit Plan or any trust created thereunder, nor any "disqualified person" with respect to the plan (as defined in Section 4975 of the Internal Revenue Code), has engaged in a "prohibited transaction", as such term is defined in Section 4975 of the Internal Revenue Code, which could subject such Employee Pension Benefit Plan, any such trust or any such disqualified person (other than a person for whom neither GSSC nor any GSSC Subsidiary is directly or indirectly responsible) to liability under Title I of ERISA or to the imposition of any tax under Section 4975 of the Internal Revenue Code.

No condition exists with regard to any Employee Pension Benefit Plan which constitutes grounds for the termination of such plan pursuant to Section 4042 of ERISA.

The fair market value of the assets of any Employee Pension Benefit Plan which is subject to Title IV of ERISA (excluding for these purposes any accrued but unpaid contributions) exceeded the present value of all benefits accrued under any such plan, determined on a termination basis using the assumptions established by the Pension Benefit Guaranty Corporation as in effect on such date. Neither GSSC nor its Subsidiaries have incurred any liability under Title IV of ERISA arising in connection with the termination of, or complete or partial withdrawal from, any plan covered or previously covered by Title IV of ERISA. The termination of any Internal Revenue Code Section 401(a) qualified Employee Pension Benefit Plan previously terminated by GSSC or any GSSC Subsidiary did not adversely affect the qualification of such Employee Pension Benefit Plan. The distribution of the assets of any such Employee Pension Benefit Plan was made or is currently being made in conformity with the requirements of that Employee Pension Benefit Plan and of applicable legal requirements and has not resulted in, will not result in, and is reasonably not anticipated to result in the assessment of any tax, penalty, or excise tax against such pension plan, its related trusts, the fiduciary and administrators of the Employee Pension Benefit Plan, GSSC or its Subsidiaries, or any disqualified person (as defined in Internal Revenue Code Section 4975) with respect to the Employee Pension Benefit Plan.

Except as disclosed in Schedule 5.25(a) hereto, all Employee Pension Benefit Plans were in effect for substantially all of calendar year 1993. There has been no material amendment of any such plans (other than amendments required to comply with applicable law) or material increase in the cost of maintaining such plans or providing benefits

thereunder on or after the last day of the plan year which ended in calendar year 1993 for each such Employee Pension Benefit Plan.

GSSC has provided to UPC copies of the annual actuarial valuation or allocation report for each Employee Pension Benefit Plan for the three (3) plan years for such plan immediately preceding the current date. With regard to Employee Pension Benefit Plans which are not intended to be qualified under Section 401(a) of the Internal Revenue Code, copies of financial statements or reports containing information regarding the expense of maintaining any such Employee Pension Benefit Plan for the three (3) plan years preceding the current date have been delivered to UPC.

(b) GSSC has furnished to UPC true and complete copies of each "Employee Welfare Benefit Plan" as defined in Section 3(1) of ERISA, which, to the best of its knowledge, is subject to any provision of ERISA and covers any employee, whether active or retired, of GSSC or any GSSC Subsidiary or members of a controlled group or entities under common control with GSSC or its Subsidiaries in the manner defined and further described in Section 414(b), (c), or (m) of the Internal Revenue Code. Such plans are hereinafter referred to collectively as the "Employee Welfare Benefit Plans", and each such Employee Welfare Benefit Plan is listed in Schedule 5.25(b) hereto.

GSSC has also provided to UPC true and complete copies of documents establishing all funding instruments for such Employee

Welfare Benefit Plans, including but not limited to, trust agreements, cafeteria plans (pursuant to Internal Revenue Code Section 125), and voluntary employee beneficiary associations (pursuant to Internal Revenue Code Section 501(c)(9)). Each of the Employee Welfare Benefit Plans has been operated in substantial conformity with the written provisions of the plan documents which have been delivered to UPC and in compliance with the requirements prescribed by all statutes, orders, rules, and regulations including, but not limited to, ERISA and the Internal Revenue Code, which are applicable to such Employee Welfare Benefit Plans. Any deviation in the operation of such plans from the requirements of the plan documents or of applicable laws have been listed in Schedule 5.25(b) hereto. GSSC has provided any notification required by law to any participant covered under any Employee Welfare Benefit Plan which has failed to comply with the requirements of any Internal Revenue Code section which results in the imposition of a tax on benefits provided to such participants under such plan.

AGREEMENT AND PLAN OF REORGANIZATION - PAGE 52

With respect to all Employee Welfare Benefit Plans which are subject to the annual report requirement of ERISA Section 103 or to the annual return requirement of Internal Revenue Code Section 6039D, all annual reports and annual returns as were required to be filed pursuant to such sections have been timely filed. Copies of all such annual returns/reports, including all attachments and Schedules, for the three (3) plan years immediately preceding the current date for all plans subject to such requirements have been delivered to UPC. With respect to all Employee Welfare Benefit Plans which are subject to the summary plan description requirement of ERISA Section 102, all such summary plan descriptions as were required to be filed with the Department of Labor and distributed to participants and beneficiaries have been timely filed and distributed. Copies of all such summary plan descriptions have been delivered to UPC.

Except as disclosed in Schedule 5.25(b) hereto, all Employee Welfare Benefit Plans which are in effect were in effect for substantially all of calendar year 1993. Except as disclosed in Schedule 5.25(b) hereto, there has been with respect to such Employee Welfare Benefit Plans no material amendment thereof or material increase in the cost thereof or benefits payable thereunder on or after December 31, 1993.

To the best of the knowledge, information and belief of GSSC, SBM and SBL, no Employee Welfare Benefit Plan or any trust created thereunder, nor any "party in interest" with respect to the plan (as defined in Section 3(14) of ERISA), has engaged in a "prohibited transaction", as such term is defined in Section 406 of ERISA, which could subject such Employee Welfare Benefit Plan, any such trust, or any party in interest (other than a person for whom neither GSSC nor any GSSC Subsidiary is directly or indirectly responsible) to the imposition of a penalty for such prohibited transaction under Section 502(i) of ERISA. The Department of Labor has not assessed any such penalty or served notice to GSSC or any of its Subsidiaries that such a penalty may be imposed upon any Employee Welfare Benefit Plan.

Neither GSSC nor any GSSC Subsidiary has failed to make any contribution to, or pay any amount due and owing by GSSC or an GSSC Subsidiary under the terms of, an Employee Welfare Benefit Plan. Except as disclosed in Section 5.25(b) hereto, no claims have been incurred with respect to any Employee Welfare Benefit Plan which may, to the best knowledge, information and belief of GSSC, constitute a liability for GSSC or any GSSC Subsidiary after the application of any insurance, trust or other funds which are applicable to the payment of such claims.

Except as disclosed in Schedule 5.25(b) hereto, to the best knowledge, information and belief of GSSC, no condition

AGREEMENT AND PLAN OF REORGANIZATION - PAGE 53

exists that could subject any Employee Welfare Benefit Plan or any person (other than a person for whom neither GSSC nor any GSSC Subsidiary is directly or indirectly responsible) to liabilities, damages, losses, taxes, or sanctions that arise under Section 4980B of the Internal Revenue Code or Sections 601

through 608 of ERISA for failure to comply with the continuation health care coverage requirements of ERISA Sections 601 through 608 and Internal Revenue Code Section 4980B with respect to any current or former employee of GSSC or any GSSC Subsidiary, or the beneficiaries of such employee.

(c) GSSC has furnished to UPC true and complete copies and/or descriptions of each plan or arrangement maintained or otherwise contributed to by GSSC or any GSSC Subsidiary which is not an Employee Pension Benefit Plan and is not an Employee Welfare Benefit Plan and which (exclusive of base salary and base wages) provides for any form of current or deferred compensation, bonus, stock option, profit sharing, retirement, group health or insurance, welfare benefits, fringe benefits, or similar plan or arrangement for the benefit of any employee or class of employees, whether active or retired, or independent contractors of GSSC or any GSSC Subsidiary. Such plans and arrangements shall collectively be referred to herein as "Benefit Arrangements" and all such Benefit Arrangements of GSSC and GSSC's Subsidiaries are listed on Schedule 5.25(c) hereto. Except as disclosed in Schedule 5.25(c) hereto, there are no other benefit arrangements of the GSSC companies and all Benefit Arrangements which are in effect were in effect for substantially all of calendar year 1993. Except as disclosed in Schedule 5.25(c) hereto, there has been with respect to Benefit Arrangements no material amendment thereof or material increase in the cost thereof or benefits payable thereunder on or after December 31, 1993. There has been no material increase in the base salary and wage levels of GSSC or any GSSC Subsidiary and, except in the ordinary course of business, no change in the terms or conditions of employment (including severance benefits) compared, in each case, to those prevailing for substantially all of calendar year 1993. Except as disclosed in Schedule 5.25(c) hereto, there has been no material increase in the compensation of, or benefits payable to, any senior executive employee of GSSC or any GSSC Subsidiary on or after December 31, 1993, nor has any employment, severance, or similar contract been entered into with any such employee, nor has any amendment to any such contract been made on or after December 31, 1993.

With respect to all Benefit Arrangements which are subject to the annual return requirement of Internal Revenue Code Section 6039D, all annual returns as were required to be filed have been timely filed. Copies of all such annual returns for

AGREEMENT AND PLAN OF REORGANIZATION - PAGE 54

the three (3) plan years immediately preceding the current date have been delivered to UPC.

(d) Listed on Schedule 5.25(d) hereto are all Employee Pension Benefit Plans, Employee Welfare Benefit Plans, and Benefit Arrangements which provide compensation or benefits which become effective upon a change in control of GSSC or any GSSC Subsidiary, including, but not limited to, additional compensation or benefits, or acceleration in the amount or timing of payment of compensation or benefits which had become effective prior to the date of such acceleration. Except as disclosed in Schedule 5.25(d) hereto, there is no Employee Pension Benefit Plan, Employee Welfare Benefit Plan, or Benefit Arrangement covering any employee of GSSC or any GSSC Subsidiary which individually or collectively could give rise to the payment of any amount which would constitute an "excess parachute payment", as such term is defined in Section 280G of the Internal Revenue Code and Regulations proposed pursuant to that section.

(e) Except as described in Schedule 5.25(e) hereto, each Employee Pension Benefit Plan, Employee Welfare Benefit Plan, or Benefit Arrangement and each personal services contract, fringe benefit, consulting contract or similar arrangement with or for the benefit of any officer, director, employee, or other person may be terminated by GSSC (or by GSSC as the Surviving Corporation) within a period of no more than thirty (30) days following the effective time of the merger, without payment of any amount as a penalty, bonus, premium, severance pay, or other compensation for such termination. No limitation on the right to terminate any such plan has been communicated by GSSC or its Subsidiaries to employees, former employees, or retirees who are or may be participants in or beneficiaries of such plans or arrangements. Except as described in Schedule 5.25(e) hereto, each Employee Pension Benefit Plan which is qualified under Section 401(a) of the Internal Revenue Code as a qualified defined benefit pension plan permits the reversion of excess assets to the employer maintaining the plan or its successors or assigns upon a plan termination and such provision has been included in the Employee Pension Benefit Plan for the period required under ERISA Section

(f) Except as disclosed in Schedule 5.25(f) hereto, neither GSSC nor any GSSC Subsidiary has received notice from any governmental agency of any alleged violation of applicable laws or of any prospective audit or other investigation for the purpose of reviewing compliance with applicable laws with respect to any Employee Pension Benefit Plan, Employee Welfare Benefit Plan or Benefit Arrangement.

AGREEMENT AND PLAN OF REORGANIZATION - PAGE 55

Except as disclosed in Schedule 5.25(f) hereto, no suits, actions or claims have been filed in any court of law or with any governmental agency regarding the operation of any Employee Pension Benefit Plan, Employee Welfare Benefit Plan, or Benefit Arrangement and no such additional suits, actions, or claims are, to the best information, knowledge and belief of GSSC, anticipated to be filed.

5.26 Material Contracts. Except as reflected in the Audited Financial Statements of GSSC, or as described in Schedule 5.26 hereto, neither GSSC nor any GSSC Subsidiary, nor any of their respective assets, businesses, or operations, is as of the date of this Reorganization Agreement a party to, or is bound or obligated by, or receives benefits under any contract or agreement or amendment thereto that in each case would (assuming that each were a reporting company under the 1934 Act, whether or not it is so registered) be required to be filed as an exhibit to an Annual Report on Form 10-K filed by GSSC as of the date of this Reorganization Agreement that has not already been filed as an exhibit to GSSC's Form 10-K filed for the fiscal year ended December 31, 1993, or in any other SEC Document filed prior to the date of this Reorganization Agreement. Set forth on Schedule 5.26 hereto is an accurate and complete list and true and complete copies of all contracts to which GSSC, SBM or SBL are a party and having a value in excess of \$100,000.

5.27 Material Contract Defaults. To the best of the knowledge, information and belief of GSSC, SBM and SBL, neither GSSC nor any GSSC Subsidiary is in default in any respect under any contract, agreement, commitment, arrangement, lease, insurance policy, or other instrument to which it is a party or by which its respective assets, business, or operations may be bound or affected or under which it or its respective assets, business, or operations receives benefits, and which default is reasonably expected to have either individually or in the aggregate a material adverse effect on GSSC or any GSSC Subsidiary on a consolidated basis, and there has not occurred any event that, with the lapse of time or the giving of notice or both, would constitute such a default.

5.28 Reports. Since December 31, 1989, GSSC, SBM and SBL have filed all reports and statements, together with any amendments required to be made with respect thereto, that they were required to file with (i) the MSBD or the LOFI; (ii) the Federal Reserve, including, but not limited to, Reports on FR Y-6 and FR Y-9; (iii) the FDIC, (iv) the SEC, including, but not limited to, Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and proxy statements; and (vi) any other applicable federal or state securities or banking authorities (except, in the case of federal or state securities authorities, filings that

AGREEMENT AND PLAN OF REORGANIZATION - PAGE 56

are not material). As of their respective dates, each of such reports and documents, including the financial statements, exhibits and schedules thereto, complied in all material respects with all of the requirements of their respective forms and all of the statutes, rules, and regulations enforced or promulgated by the Regulatory Authority with which they were filed. All such reports were true and complete in all material respects and did not contain any untrue statement as stated including any amendments thereto of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. GSSC has previously provided to UPC true and correct copies of all such reports filed by GSSC, SBM or SBL after December 31, 1989.

(a) The outstanding shares of GSSC Common Stock are registered with the SEC pursuant to the 1934 Act and GSSC has filed with the SEC all material forms and reports required by law to be filed by GSSC with the SEC, which forms and reports, taken as a whole, are true and correct in all material respects, and do not misstate a material fact or omit to state a material fact required to be stated therein or necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading.

(b) The outstanding shares of GSSC Common Stock are listed for trading on the NASDAQ (under the symbol "GSSC") pursuant to the listing rules of the NASDAQ and GSSC has filed with the NASDAQ all material forms and reports required by law to be filed by GSSC with the NASDAQ, which forms and reports, taken as a whole, are true and correct in all material respects, and do not misstate a material fact or omit to state a material fact required to be stated therein or necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading.

5.30 Statements True and Correct. None of the information prepared by, or on behalf of, GSSC or any GSSC Subsidiary regarding GSSC, SBM or any other GSSC Subsidiary included or to be included in the Proxy Statement to be mailed to GSSC's Stockholders in connection with the GSSC Stockholders Meeting, and any other documents to be filed with the SEC, or any other Regulatory Authority in connection with the transactions contemplated herein, at the respective times such documents are filed, and, with respect to the Proxy Statement, when first mailed to the GSSC Stockholders, be false or misleading with respect to any material fact, or omit to state any material fact necessary to make the statements therein, in light of the

AGREEMENT AND PLAN OF REORGANIZATION - PAGE 57

circumstances under which they were made, not misleading, or, in the case of the Proxy Statement or any amendment thereof or supplement thereto, at the time of the GSSC Stockholders Meeting, be false or misleading with respect to any material fact, or omit to state any material fact necessary to correct any statement in any earlier communication with respect to the solicitation of any proxy for the GSSC Stockholders Meeting. All documents which GSSC or any GSSC Subsidiary is responsible for filing with the SEC or any other Regulatory Authority in connection with the transactions contemplated hereby will comply as to form in all material respects with the provisions of applicable law, including applicable provisions of the Securities Laws and the rules and regulations issued thereunder.

COVENANTS OF UPC

6.1 Proxy Statement; UPC Shareholder Approval. UPC shall call the UPC Shareholders Meeting to be held as soon as reasonably practicable after the date of this Reorganization Agreement and the Federal Reserve shall have entered its Order approving the transactions contemplated in this Reorganization Agreement, for the purpose of (i) approving this Reorganization Agreement and the Plan of Merger, and (ii) such other related matters as it deems appropriate. In connection with the UPC Shareholders Meeting, (i) UPC shall, with GSSC's assistance, prepare a Proxy Statement to be filed with the SEC and with any other appropriate Regulatory Authority; shall mail or cause to be mailed such Proxy Statement to the UPC Shareholders and shall provide GSSC the opportunity to review and comment on the Proxy Statement at least five (5) business days prior to the filing of the Proxy Statement with the Regulatory Authorities for prior review and at least five (5) business days prior to the mailing of the Proxy Statement to the UPC Shareholders; (ii) the Parties shall furnish to each other all information concerning them that the other Party may reasonably request in connection with the preparation of such Proxy Statement; (iii) the Board of Directors of UPC shall recommend (subject to compliance with its legal and fiduciary duties as advised by counsel) to UPC Shareholders the approval of this Reorganization Agreement and the Plan of Merger; and (iv) UPC shall use its best efforts, subject to compliance with its legal and fiduciary duty as advised by counsel, to obtain such UPC Shareholders' approvals.

6.2 Regulatory Approvals. Within sixty (60) days after

execution of this Reorganization Agreement, UPC shall file any and all applications with the appropriate government Regulatory Authorities in order to obtain the Government

AGREEMENT AND PLAN OF REORGANIZATION - PAGE 58

Approvals and shall take such other actions as may be reasonably required to consummate the transactions contemplated in this Reorganization Agreement and the Plan of Merger with reasonable promptness. UPC shall pay all fees and expenses arising in connection with such applications for regulatory approval. UPC agrees to provide the appropriate Regulatory Authorities with the information required by such authorities in connection with UPC's applications for regulatory approval and UPC agrees to use its best efforts to obtain such regulatory approvals, and any other approvals and consents as may be required for the Closing, as promptly as practicable; provided, however, that nothing in this Section 6.2 shall be construed to obligate UPC to take any action to meet any condition required to obtain prior regulatory approval if UPC shall, in UPC's reasonable judgment, deem such condition to be unreasonable or inconsistent with previous regulatory approvals received by UPC in transactions of this type and to constitute a significant impediment upon UPC's ability to carry on its business or acquisition programs or to require UPC to increase UPC's capital ratios to amounts in excess of the Federal Reserve's minimum capital ratio guidelines which may be in effect from time to time. UPC shall not knowingly take any action, or omit to take any action during the term of this Reorganization Agreement which would adversely affect the receipt by UPC of the Government Approvals or adversely affect the ability of UPC to perform its obligations under this Reorganization Agreement. Subject to the terms and conditions of this Reorganization Agreement, UPC and INTERIM agree to use all reasonable efforts and to take, or to cause to be taken, all actions, and to do, or to cause to be done, all things necessary, proper, or advisable under applicable laws and regulations to consummate and make effective, with reasonable promptness after the date of this Reorganization Agreement, the transactions contemplated by this Reorganization Agreement, including, without limitation, using reasonable efforts to lift or rescind any injunction or restraining or other order adversely affecting the ability of the Parties to consummate the transactions contemplated by this Reorganization Agreement. UPC shall use, and shall cause each of its Subsidiaries to use, its best efforts to obtain consents of all third parties and Regulatory Authorities necessary or desirable for the consummation of each of the transactions contemplated by this Reorganization Agreement.

6.3 Reservation, Listing and Registration of UPC Common Stock under the Securities Laws. UPC shall reserve for issuance that number of shares of UPC Common Stock necessary to (i) satisfy the Consideration to be delivered to the GSSC Record Holders at the Effective Time of the Merger and (ii) provide shares of UPC Common Stock which will be issued upon the exercise of options granted under the GSSC Key Employees Stock Plan and

AGREEMENT AND PLAN OF REORGANIZATION - PAGE 59

which are outstanding immediately prior to Effective Time of the Merger. UPC shall cooperate with GSSC in the preparation of the GSSC Proxy Statement to be used at the GSSC Stockholders Meeting (and which shall serve also as UPC's prospectus with respect to UPC's issuance of shares of the UPC Common Stock) and shall cause a registration statement on the appropriate form of the SEC to be prepared and filed so as to cause any shares of UPC Common Stock which may be delivered to the GSSC Record Holders in payment of the Consideration to be registered under the 1933 Act and to be duly qualified under appropriate state securities laws. UPC shall also list for trading on the NYSE the shares of UPC Common Stock so delivered. Such reservation, registration, qualification and listing shall be effected prior to the Closing. As soon as practicable after the issuance of all Governmental Approvals, but no later than thirty days following such date, UPC shall file with the SEC a Registration Statement on Form S-8 to register the shares of UPC Common Stock that will be issued to holders of options granted under the GSSC Key Employees Stock Plan. UPC shall use its best efforts to have such Registration Statement declared effective as promptly as practicable.

6.4 Employee Benefits. Following the consummation of the

transactions contemplated herein, UPC shall not be obligated to make further contributions to any of the Employee Plans or Benefit Arrangements of GSSC or the GSSC Subsidiaries and all employees of GSSC and the GSSC Subsidiaries immediately prior to the Effective Time of the Merger who shall continue as employees of GSSC as the Surviving Corporation or as employees of any other UPC Subsidiary will be afforded the opportunity to participate in any employee benefit plans maintained by UPC or UPC's Subsidiaries, including but not limited to, any "employee benefit plan," as that term is defined in ERISA, on an equal basis with employees of UPC or any UPC Subsidiaries with comparable positions, compensation, and tenure. Service with GSSC or with any GSSC Subsidiary prior to the Effective Time of the Merger by former employees of GSSC or any GSSC Subsidiary will be deemed service with UPC for purposes of determining eligibility for participation and vesting in such employee benefit plans of UPC and UPC's Subsidiaries. In its sole discretion, UPC may elect to postpone until the first day of July next following the Effective Time of the Merger the participation of the employees of GSSC and GSSC's Subsidiaries in the employee benefit plans maintained by UPC or UPC's Subsidiaries; provided, however, during any such postponement period, the GSSC Employee Plans and all related employee benefit plans shall continue in full force and effect, (including the continued receipt of all customary corporate contributions in accordance with the past practice of GSSC, SBM and SBL for the period prior to the termination of the plans), except as expressly modified or amended by the terms of this

AGREEMENT AND PLAN OF REORGANIZATION - PAGE 60

Reorganization Agreement, or until such time as the plans are replaced by benefit plans maintained by UPC.

6.5 Conduct of Business; Notice of Adverse Change. UPC shall not knowingly engage in any activity which would (i) prohibit UPC or INTERIM from delivering the Consideration to the Exchange Agent at Closing; (ii) prevent UPC or INTERIM from consummating the transactions contemplated in this Reorganization Agreement; (iii) prevent or impede the ability of UPC to account for the Merger as a pooling of interests on the financial statements of UPC; and (iv) prevent or impede the ability of UPC, GSSC and the GSSC Record Holders to accomplish the Merger as a tax-free reorganization and, except with respect to cash received in lieu of a fractional share of UPC Common Stock, on a tax-free basis to the GSSC Record Holders. Upon receipt of UPC Shareholder Approval and the satisfaction (or lawful waiver by UPC) of all conditions precedent, UPC shall vote the shares of INTERIM in favor of the Merger. UPC shall notify GSSC in writing immediately upon becoming aware of any material adverse change in the financial condition or prospects of UPC or of any event which would prohibit UPC's performance under the terms of this Reorganization Agreement.

(i) Operate its business only in the usual, regular, and ordinary course;

(ii) Preserve intact its business organizations and assets and to maintain its rights and franchises;

(iii) Take no action, unless otherwise required by law, rules or regulation, that would (A) adversely affect the ability of any of them or UPC to obtain any necessary approvals of Regulatory Authorities required to consummate the transactions contemplated by this Reorganization Agreement, or (B) adversely affect the ability of such Party to perform its covenants and agreements under this Reorganization Agreement;

(iv) Except as they may terminate in accordance with their terms, keep in full force and effect, and not default in any of their obligations under, all material contracts;

(v) Keep in full force and effect insurance coverage with responsible insurance carriers which is reasonably adequate in coverage and amount for companies the size of GSSC or such GSSC Subsidiary and for the businesses and properties owned by each and in which each is engaged, to the extent that such insurance is reasonably available;

(vii) Maintain, renew, keep in full force and effect, and preserve its business organization and material rights and franchises, permits and licenses, and to use its best efforts to maintain positive relations with its present employees so that such employees will continue to perform effectively and will be available to GSSC, SBM, SBL or UPC and UPC's Subsidiaries at and after the Effective Time of the Merger, and to use its best efforts to maintain its existing, or substantially equivalent, credit arrangements with banks and other financial institutions and to assure the continuance of SBM's and SBL's customer relationships;

(b) GSSC, SBM and SBL agree to use their best efforts to assist UPC in obtaining the Government Approvals necessary to complete the transactions contemplated hereby and do not know of any reason why such Government Approvals can not be obtained, and GSSC, SBM and SBL shall provide to UPC or to the appropriate governmental authorities all information reasonably required to be submitted in connection with obtaining such approvals;

(c) GSSC, SBM and SBL, at their own cost and expense, shall use their best efforts to secure all necessary consents and all consents and releases, if any, required of GSSC, SBM, SBL or third parties and shall comply with all applicable laws, regulations and rulings in connection with this Reorganization Agreement and the consummation of the transactions

contemplated hereby;

(d) At all times to and including, and as of, the Effective Time of the Merger, GSSC, SBM and SBL shall inform UPC in writing of any and all facts necessary to amend or supplement the representations and warranties made herein and the Schedules attached hereto as necessary so that the information contained herein and therein will accurately reflect the current status of GSSC, SBM and SBL; provided, however, that any such updates to Schedules shall be required prior to the Closing only with respect to matters which represent material changes to the Schedules and the information contained therein; and provided further, that before such amendment, supplement or update may be deemed to be a part of this Reorganization Agreement, UPC shall have agreed in writing to each amendment, supplement or update to the Schedules made subsequent to the date of this Reorganization Agreement as an amendment to this Reorganization Agreement;

(e) On and after the Closing Date, GSSC, SBM and SBL shall give such further assistance to UPC and shall execute, acknowledge and deliver all such documents and instruments as UPC may reasonably request and take such further action as may be

AGREEMENT AND PLAN OF REORGANIZATION - PAGE 63

(f) Between the date of this Reorganization Agreement and the Closing Date, GSSC, SBM and SBL shall afford UPC and its authorized agents and representatives reasonable access during normal business hours to the properties, operations, books, records, contracts, documents, loan files and other information of, or relating to GSSC, SBM and SBL. GSSC, SBM and SBL shall provide reasonable assistance to UPC in its investigation of matters relating to GSSC, SBM and SBL; and

(g) Subject to the terms and conditions of this Reorganization Agreement, GSSC, SBM and SBL agree to use all reasonable efforts and to take, or to cause to be taken, all actions, and to do, or to cause to be done, all things necessary, proper or advisable under applicable laws and regulations to consummate and make effective, with reasonable promptness after the date of this Reorganization Agreement, the transactions contemplated by this Reorganization Agreement, including, without limitation, using reasonable efforts to lift or rescind any injunction or restraining or other order adversely affecting the ability of the Parties to consummate the transaction contemplated by this Reorganization Agreement. GSSC shall use, and shall cause each of its Subsidiaries to use, its best efforts to obtain consents of all third parties and Regulatory Authorities necessary or desirable for the consummation of each of the transactions contemplated by this Reorganization Agreement.

7.3 Conduct of Business -- Negative Covenants. From the date of this Reorganization Agreement until the earlier of the Effective Time of the Merger or the termination of this Reorganization Agreement, GSSC, SBM and SBL covenant and agree that they will neither do, nor agree or commit to do, nor permit any GSSC Subsidiary to do or commit or agree to do, any of the following without the prior written consent of the chief executive officer, president, or chief financial officer of UPC, which consent will not be unreasonably withheld, or except as expressly permitted by this Reorganization Agreement:

(a) Except as expressly contemplated by this Reorganization Agreement or the Plan of Merger, amend its Certificate of Incorporation or Bylaws; or

(b) Impose, or suffer the imposition, on any share of capital stock held by it or by any of its Subsidiaries of any lien, charge, or encumbrance, or permit any such lien, charge, or encumbrance to exist; or

7.4 Conduct of Business -- Certain Actions.

(a) Except to the extent necessary to consummate the transactions specifically contemplated by this Reorganization Agreement, GSSC, SBM and SBL shall not, and shall use their respective best efforts to ensure that their respective directors, officers, employees, and advisors do not, directly or indirectly, institute, solicit, or knowingly encourage (including by way of furnishing any information not legally required to be furnished) any inquiry, discussion, or proposal, or participate in any discussions or negotiations with, or provide any confidential or non-public information to, any corporation, partnership, person or other entity or group (other than to UPC or any UPC Subsidiary) concerning any "Acquisition Proposal" (as defined below), except for actions reasonably considered by the Board of Directors of GSSC, based upon the advice of outside legal counsel, to be required in order to fulfill its fiduciary obligations. GSSC shall notify UPC immediately if any Acquisition Proposal has been or should hereafter be received by GSSC, SBM or SBL, such notice to contain, at a minimum, the identity of such persons, and, subject to disclosure being consistent with the fiduciary obligations of GSSC's Board of Directors, a copy of any written inquiry, the terms of any proposal or inquiry, any information requested or discussions sought to be initiated, and the status of any reports, negotiations or expressions of interest. For purposes of this Section, "Acquisition Proposal" means any proposed tender offer, agreement, understanding or other proposal pursuant to which any corporation, partnership, Person or other entity or group, other than UPC or any UPC Subsidiary, would directly or indirectly (i)

acquire or participate in a merger, share exchange, consolidation or any other business combination involving GSSC, SBM or SBL; (ii) acquire the right to vote ten percent (10%) or more of the GSSC Common Stock, SBM Common Stock or SBL Common Stock; (iii) acquire a significant portion of the assets or earning power of GSSC, SBM or SBL; or (iv) acquire in excess of ten percent (10%) of the outstanding GSSC Common Stock, SBM Common Stock or SBL Common Stock.

(b) As a condition of and as an inducement to UPC's entering into this Reorganization Agreement, GSSC, SBM and SBL covenant, acknowledge, and agree that it shall be a specific, absolute, and unconditionally binding condition precedent to either GSSC's, SBM's or SBL's entering into a letter of intent, agreement in principle, or definitive agreement (whether or not considered binding, non-binding, conditional or unconditional) with any third-party with respect to an Acquisition Proposal, or supporting or indicating an intent to support an Acquisition Proposal, other than this Reorganization Agreement and the transactions contemplated in this Reorganization Agreement, regardless of whether GSSC, SBM or SBL has otherwise complied with the provisions of Section 7.4(a) hereof, that GSSC or such third-party which is a party to any Acquisition Proposal shall have paid UPC the sum of Twelve Million and No/100 Dollars (\$12,000,000), which sum represents the (i) direct costs and expenses (including, but not limited to, fees and expenses incurred by UPC's financial or other consultants, printing costs, investment bankers, accountants, and counsel) incurred by or on behalf of UPC in negotiating and undertaking to carry out the transactions contemplated by this Reorganization Agreement; (ii) indirect costs and expenses of UPC in connection with the transactions contemplated by this Reorganization Agreement, including UPC's management time devoted to negotiation and preparation for the transactions contemplated by this Reorganization Agreement; and (iii) UPC's loss as a result of the transactions contemplated by this Reorganization Agreement not being consummated. Accordingly, GSSC, SBM and SBL hereby jointly and severally stipulate and covenant that prior to GSSC's, SBM's or SBL's entering into a letter of intent, agreement in principle, or definitive agreement, (whether binding or non-binding, conditional or unconditional) with any third-party with respect to an Acquisition Proposal or supporting or indicating an intent to support an Acquisition Proposal, either GSSC or such third-party shall have paid to UPC the amount set forth above in immediately available funds to satisfy the specific, absolute, and unconditionally binding condition precedent imposed by this Section 7.4. Notwithstanding anything in this Section 7.4(b) to the contrary, in the event such Acquisition Proposal should be the result of an unsolicited offer or takeover of GSSC, SBM or SBL, any sums due UPC by GSSC pursuant to the terms of this

AGREEMENT AND PLAN OF REORGANIZATION - PAGE 68

Section 7.4 shall be paid by GSSC to UPC at the closing of the transactions set forth in such Acquisition Proposal and all obligations of UPC to hold the Closing by the Target Date shall be tolled until such time as the transactions set forth in any such Acquisition Proposal shall have been consummated or until such time as the Acquisition Proposal shall have expired plus such reasonable time as UPC shall require. UPC and INTERIM each acknowledges that under no circumstances shall any officer or director of GSSC, SBM or SBL (unless such officer or director shall have an interest in a potential acquiring party in any Acquisition Proposal) be held personally liable to UPC or INTERIM for any amount of the foregoing payment. On payment of such amount to UPC, UPC and INTERIM shall have no cause of action or claim (either in law or equity) whatsoever against GSSC, SBM or SBL, or any officer or director of GSSC, SBM or SBL, with respect to or in connection with such Acquisition Proposal, this Reorganization Agreement or the Plan of Merger.

(c) The requirements, conditions, and obligations imposed by this Section 7.4 shall continue in full force and effect from the date of this Reorganization Agreement until October 1, 1995, unless and until the earlier of any of the following events shall occur, in which event, thereafter neither GSSC, SBM nor SBL shall be obligated to pay the amount required by this Section 7.4 as a condition precedent to such transaction:

- (1) This Reorganization Agreement shall have been terminated (i) mutually by the Parties pursuant to Section 9.1(a) of this Reorganization Agreement; (ii) by UPC and INTERIM pursuant to Section 9.1(b) of this Reorganization Agreement; (iii) by UPC and INTERIM or GSSC, SBM and SBL pursuant to Section 9.1(c) of this Reorganization Agreement; (iv) by UPC and INTERIM or GSSC, SBM and SBL pursuant to Section 9.1(d) of this Reorganization Agreement; (v) by UPC and INTERIM or GSSC, SBM and SBL pursuant to Section 9.1(e) of this Reorganization Agreement, and in the case of termination pursuant to Section 9.1(e), only on the basis of the failure to satisfy the conditions enumerated in subparagraph (2) below; (vi) by UPC and INTERIM pursuant to Section 9.1(f) of this Reorganization Agreement; (vii) by UPC and INTERIM or GSSC, SBM and SBL

pursuant to Section 9.1(g) of this Reorganization Agreement; (viii) by UPC and INTERIM pursuant to Section 9.1(h) of this Reorganization Agreement; (ix) by UPC and INTERIM pursuant to Section 9.1(i) of this Reorganization Agreement; and (x) by UPC and INTERIM or GSSC, SBM and SBL pursuant to Section 9.1(j) or Section 9.1(k) of this Reorganization Agreement; or

- (2) In the event the Merger should not be consummated as a result of the failure to satisfy any of the following conditions:
- (i) Material inaccuracy (without waiver thereof) of representations and warranties of UPC as contemplated by the provisions of Section 8.1(b) of this Reorganization Agreement;
 - (ii) Noncompliance by UPC or INTERIM with their respective obligations as required by the provisions of Section 8.1(a) of this Reorganization Agreement;
 - (iii) The failure by UPC or INTERIM to effect all corporate action necessary on their respective parts as required by the provisions of Section 8.1 of this Reorganization Agreement or to satisfy the conditions set forth in Sections 8.1(d) or 8.1(g) of this Reorganization Agreement;
 - (iv) The failure to receive the requisite approvals as required by the provisions of Section 8.3(b) of this Reorganization Agreement other than any such failure arising out of any action or inaction on the part of GSSC, SBM or SBL;
 - (v) The occurrence of material legal proceedings as contemplated by the provisions of Section 8.3(a) of this Reorganization Agreement;
 - (vi) The failure on the part of the appropriate officers of UPC to deliver the certificates set forth in Section 8.1(c) of this Reorganization Agreement, or the failure on the part of counsel to UPC to deliver the requisite opinion required by the provisions of Section 8.1(e) of this Reorganization Agreement;
 - (vii) UPC shall have determined not to consummate the Merger pursuant to Sections 8.2(d), 8.2(f), 8.2(i), 8.2(k) or 8.2(l);
 - (viii) The failure to receive the fairness opinion of either (a) GSSC's independent financial adviser as required by the provisions of Section 8.1(f) of this Reorganization Agreement except if such failure is based on the receipt by GSSC of an Acquisition Proposal from a third party or (b)

AGREEMENT AND PLAN OF REORGANIZATION - PAGE 70

UPC's independent financial adviser as required by Section 8.2(n) of this Reorganization Agreement;

(ix) The failure to receive the approval of the UPC Shareholders as required by the provisions of Section 8.3(d) of this Reorganization Agreement;

(x) The failure of the registration statement to be declared effective or if the registration statement is subject to a stop order of the SEC or any state

securities commission as required by Section 8.3(c) of this Reorganization Agreement and such failure is based solely on a review by the SEC of the material presented by UPC in the registration statement or an action or inaction on the part of UPC; or

(xi) The failure of any Affiliate of GSSC to execute an Affiliate Letter as required by Section 8.3(m) of this Reorganization Agreement (unless such requirement is waived by UPC) but only if the failure of any Affiliates of GSSC to execute the Affiliate Letter would not potentially disqualify the transactions contemplated by this Reorganization Agreement from qualifying for pooling-of-interests accounting treatment.

In the event of such damage, destruction, order, limitation or restriction, UPC and INTERIM may elect either (i) to close the contemplated transactions in accordance with the terms of this Reorganization Agreement or (ii) to terminate this Reorganization Agreement without penalty;

(e) Inspections Permitted. Between the date of this Reorganization Agreement and the Closing Date, GSSC, SBM and SBL shall have afforded UPC and its authorized agents and representatives reasonable access during normal business hours to the properties, operations, books, records, contracts, documents, loan files and other information of or relating to GSSC, SBM and SBL. (iii) this Reorganization Agreement has been duly and validly authorized, executed and delivered by GSSC, SBM and SBL and (assuming that this Reorganization Agreement is a binding obligation of UPC and INTERIM and the Plan of Merger is a binding obligation of UPC and INTERIM) constitutes a valid and binding obligation of GSSC, SBM and SBL enforceable in accordance with its terms, subject as to enforceability to applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and to the application of equitable principles and judicial discretion; and

(iv) to the knowledge of such counsel after due inquiry, no consent or approval, which has not already been obtained, by any governmental authority is required for execution, delivery and performance by GSSC, SBM or SBL of this Reorganization Agreement or any of the documents to be executed and delivered by GSSC, SBM and SBL in connection herewith.

(j) Non-Compete Agreements. Each member of the

(l) Pooling of Interests Accounting Treatment. UPC shall have received (i) from Price Waterhouse, or other independent accountants acceptable to UPC, a letter dated within five (5) days prior to the Closing Date, in form and substance acceptable to UPC, stating the accountants' opinion that, based upon the information furnished to them, the Merger should be accounted for by UPC as a "pooling of interests" for financial statement purposes and that such accounting treatment is in accordance with generally accepted accounting principles and (ii) from GSSC's regularly retained independent accountants or other independent accountants acceptable to UPC, a letter dated within five (5) days prior to the Closing Date stating that, upon a review of GSSC's books and records, the accountants are aware of no reason why the business combination contemplated in this Reorganization Agreement to which GSSC is a party should not be accounted for as a "pooling of interests" under GAAP;

(m) Receipt of Affiliate Letters. Pursuant to the provisions of Section 2.6 of this Reorganization Agreement, UPC shall have received a written commitment in form and substance satisfactory to UPC and its counsel (an "Affiliate Letter") from each GSSC Record Holder who would be deemed by GSSC to be an Affiliate of GSSC at the time of Closing under the Securities Laws and who accepts shares of UPC Common Stock as Consideration for the cancellation, exchange and conversion of his shares of GSSC Common Stock pursuant to the terms and conditions of this Reorganization Agreement, committing to UPC that such GSSC Record Holder shall not pledge, assign, sell, transfer, devise, otherwise alienate or take any action which would eliminate or diminish the risk of owning or holding the shares of UPC Common Stock to be received by such GSSC Record Holder upon consummation of the Merger, nor enter into any formal or informal agreement to pledge, assign, sell or transfer, devise, or otherwise alienate his right, title and interests in any of the shares of UPC Common Stock to be delivered by UPC to such GSSC Record Holder pursuant to the terms and conditions of this Reorganization Agreement until such time as UPC shall have publicly released a statement of UPC's consolidated earnings reflecting the combined financial results of operations of UPC and GSSC for a period of not less than thirty (30) days subsequent to the Effective Time of the Merger; and

(n) Fairness Opinion. UPC shall have received a "fairness opinion" letter from its independent financial adviser

to the effect that, in the opinion of such adviser, the Consideration to be received by the GSSC Record Holders is fair to the UPC Shareholders from a financial point of view, and such "fairness opinion" shall not have been withdrawn prior to the Closing Date, and UPC shall have received an updated "fairness opinion" letter from such advisers within five (5) days prior to the Closing Date reinforcing the opinions provided in the initial "fairness opinion" letter.

8.3 Conditions to Obligations of All Parties. The obligation of each party to effect the transactions contemplated hereby shall be subject to the fulfillment, at or prior to the Closing, of the following conditions:

(a) No Pending or Threatened Claims. (b) Governmental Approvals and Acquiescence Obtained. The Parties hereto shall have received all applicable Governmental Approvals for the consummation of the transactions contemplated herein and all waiting periods incidental to such approvals or notices given shall have expired;

ARTICLE 9

TERMINATION

9.1 Termination. This Reorganization Agreement and the Plan of Merger may be terminated at any time prior to the Closing, as follows:

(a) By mutual consent in writing of the Parties pursuant to actions of their respective Boards of Directors;

(b) By UPC or INTERIM, should GSSC or any GSSC Subsidiary fail to conduct its business pursuant to GSSC's, SBM's and SBL's Covenants made in Article 7;

(c) By UPC or INTERIM or by GSSC, SBM or SBL in the event the Closing shall not have occurred on or before March 31, 1995 (the "Target Date"), unless the failure of the Closing to occur shall be due to the failure of the Party seeking to terminate this Agreement to perform its obligations hereunder in a timely manner. If UPC shall have filed any and all applications to obtain the requisite Government Approvals within sixty (60) days of the date hereof, and if the Closing shall not have occurred solely because of a delay caused by a government regulatory agency or authority in its review of the application before it, then GSSC, SBM and SBL shall, upon UPC's written request, extend the Closing Date until such time as all Government Approvals have been obtained and any stipulated waiting periods have expired;

(d) By either UPC or INTERIM or by GSSC, SBM or SBL, upon written notice to the other Party, upon denial of any Governmental Approval necessary for the consummation of the Merger (or should such approval be conditioned upon a substantial deviation from the transactions contemplated); provided, however, that either UPC or GSSC may, upon written notice to the other, extend the term of this Reorganization Agreement for only one sixty (60) day period to prosecute diligently and overturn such denial, provided that such denial has been appealed within ten (10) business days of the receipt thereof;

(e) By UPC or INTERIM in the event the conditions set forth in Sections 8.2 or 8.3 are not satisfied in all material respects as of the Closing Date, or by GSSC, SBM or SBL if the conditions set forth in Section 8.1 or 8.3 are not satisfied in all material respects as of the Closing Date, and such failure has not been waived prior to the Closing or it is determined that no such Closing Date shall occur;

(f) By UPC or INTERIM in the event that there shall have been, in UPC's good faith opinion, a material adverse change in the business, property, assets (including loan portfolios), liabilities (whether absolute, accrued, contingent or otherwise), prospects, operations, liquidity, income, condition (financial or otherwise) or net worth of GSSC, SBM or SBL taken as a whole, or upon the occurrence of any event or circumstance which may have the effect of limiting or restricting UPC's voting power or other rights normally enjoyed by the registered holders of the GSSC Common Stock which are the subject of the instant transaction;

(g) By UPC or INTERIM or GSSC, SBM or SBL in the event that there shall have been a material breach of any obligation of the other Party hereunder and such breach shall not have been remedied within thirty (30) days after receipt by the breaching Party of written notice from the other Party specifying the nature of such breach and requesting that it be remedied;

(h) By UPC or INTERIM should GSSC or any GSSC Subsidiary enter into any letter of intent or agreement with a view to being acquired by, or effecting a business combination with any other Person; or any agreement to merge, to consolidate, to combine, or, other than in the ordinary course of business consistent with past practices, to sell a material portion of its assets; or to be acquired in any other manner by any other Person; or, other than in the ordinary course of business consistent with past practices, to acquire a material amount of assets or a material equity position in any other Person, whether financial or otherwise;

(i) By UPC or INTERIM should GSSC, SBM or SBL or any GSSC Subsidiary enter into any formal agreement, letter of understanding, memorandum or other similar arrangement with any bank regulatory authority establishing a formal capital plan requiring GSSC, SBM or SBL to raise additional capital or to sell a substantial portion of its assets;

(j) By GSSC, SBM or SBL in the event the Current Market Price Per Share of the UPC Common Stock should be less than \$22.00 per share of UPC Common Stock; By UPC or INTERIM in the event the Current Market Price Per Share of the UPC Common Stock should be greater than \$31.25 per share of UPC Common Stock; provided, however, any such termination of this Reorganization Agreement by GSSC, SBM or SBL or by UPC or INTERIM pursuant to this Section 9.1(j) shall be subject to the limitations imposed on the Parties by Section 3.1(e) of this Reorganization Agreement;

(k) By either Party, within thirty (30) days from the date of this Reorganization Agreement, in the event such Party, based on the Party's opportunity to conduct a preliminary due diligence review of the books, records and operations of the other Party as provided for in Section 2.3 of this Reorganization Agreement, in good faith determines in its sole discretion that the results of the review conducted by such Party or its agents do not support and reinforce the reviewing Party's preliminary expectations as to the sustained growth and earnings prospects of the reviewed Party;

(l) By GSSC, SBM or SBL in the event that there shall have been, in GSSC's good faith opinion, a material adverse change in the business, property, assets (including loan portfolios), liabilities (whether absolute, accrued, contingent or otherwise), prospects, operations, liquidity, income, condition (financial or otherwise) or net worth of UPC taken as a whole, or upon the occurrence of any event or circumstance which may have the effect of limiting or restricting the GSSC Record Holder's voting power or other rights normally enjoyed by the registered holders of the UPC Common Stock which are the subject of the instant transaction; or

(m) By GSSC, SBM or SBL should UPC or INTERIM or any UPC Subsidiary enter into any formal agreement, letter of understanding, memorandum or other similar arrangement with any bank regulatory authority

establishing a formal capital plan requiring UPC to raise additional capital or to sell a substantial portion of its assets.

If a Party should elect to terminate this Reorganization Agreement pursuant to subsections (b), (c), (d), (e), (f), (g), (h), (i), (j), (k), (l) or (m) of this Section 9.1, it shall give notice to the other Party, in writing, of its election in the manner prescribed in Section 10.1 ("Notices") of this Reorganization Agreement.

9.2 Effect of Termination. In the event that this Reorganization Agreement should be terminated pursuant to Section 9.1 hereof, all further obligations of the Parties under this Reorganization Agreement shall terminate without further liability of any Party to another; provided, however, that a termination under Section 9.1 hereof shall (i) not relieve any Party of any liability for a breach of this Reorganization Agreement or for any misstatement or misrepresentation made hereunder prior to such termination, or be deemed to constitute a waiver of any available remedy for any such breach, misstatement or misrepresentation; and (ii) shall not be deemed a termination of the obligations of GSSC to UPC under Section 7.4 of this Reorganization Agreement which are intended by the Parties hereto

AGREEMENT AND PLAN OF REORGANIZATION - PAGE 83

to survive a termination under Section 9.1 hereof, and any termination of this Reorganization Agreement pursuant to Section 7.4 hereof shall give rise to liability only to the extent therein provided.

10.6 Publicity. Notwithstanding the foregoing, each of the Parties hereto may respond to inquiries relating to this Reorganization Agreement and the transactions contemplated hereby by the press, employees or customers without any notice or further consent of the other Parties. Nothing in this Reorganization Agreement shall be construed to prohibit GSSC or the Board of Directors of GSSC from making any disclosure to the GSSC Stockholders which in the judgment of the Board of Directors of GSSC (as advised by counsel) may be required in connection with this Reorganization Agreement. GSSC shall promptly notify UPC in writing if any such disclosure is made. Nothing in this Reorganization Agreement shall be construed to prohibit UPC or the Board of Directors of UPC from making any disclosure to the UPC Shareholders which in the judgment of the Board of Directors of UPC (as advised by counsel) may be required in connection with

this Reorganization Agreement. UPC shall promptly notify GSSC in writing if any such disclosure is made.

10.7 Entire Agreement. This Reorganization Agreement, together with the Plan of Merger which is Exhibit A hereto, the Confidentiality Agreement described in Section 2.4 herein, the Schedules, Annexes, Exhibits and certificates required to be delivered hereunder and any amendments or addenda hereafter executed and delivered in accordance with Section 10.9 hereof constitute the entire agreement of the Parties hereto pertaining to the transaction contemplated hereby and supersede all prior written and oral (and all contemporaneous oral) agreements and understandings of the Parties hereto concerning the subject matter hereof. The Schedules, Annexes, Exhibits and certificates attached hereto or furnished pursuant to this Reorganization Agreement are hereby incorporated as integral parts of this Reorganization Agreement. Except as provided herein, by specific language and not by mere implication, this Reorganization Agreement is not intended to confer upon any other person not a Party to this Reorganization Agreement any rights or remedies hereunder.

10.8 Severability. If any portion or provision of this Reorganization Agreement should be determined by a court of competent jurisdiction to be invalid, illegal or unenforceable in any jurisdiction, such portion or provision shall be ineffective as to that jurisdiction to the extent

of such invalidity, illegality or unenforceability, without affecting in any way the validity or enforceability of the remaining portions or provisions hereof in such jurisdiction or rendering that or any other portions or provisions of this Reorganization Agreement invalid, illegal or unenforceable in any other jurisdiction.

10.9 Modifications, Amendments and Waivers. At any time prior to the Closing or termination of this Reorganization Agreement, the Parties may, solely by written agreement executed by their duly authorized officers:

(a) extend the time for the performance of any of the obligations or other acts of the other Party hereto;

GSSC, SBM and SBL covenant that they shall not contend in any such proceeding that UPC or INTERIM is not entitled to a decree of specific performance by reason of having an adequate remedy at law. All representations and warranties made by the Parties hereto or in any instrument or document furnished in connection herewith, shall survive the Closing and any investigation at any time made by or on behalf of the Parties hereto and shall expire at the Effective Time of the Merger except as to any matter which is based upon willful fraud with respect to which the representations and warranties set forth in this Reorganization Agreement shall expire on the earlier of six months from the Effective Time of the Merger or the expiration of the applicable statutes of limitation; provided, however, nothing herein shall create any right of action as to any individual who has not personally and individually engaged in any act of willful fraud giving rise to any breach of the representations and warranties made by the Parties hereto. All obligations, agreements, covenants and undertakings of the Parties hereto to be performed either in whole or in part after the Effective Time of the Merger shall survive the Closing and shall not expire at the Effective Time of the Merger.

10.16 No Waiver. No failure, delay or omission of or by any Party in exercising any right, power or remedy upon any breach or default of any other Party shall impair any such rights, powers or remedies of the Party not in breach or default, nor shall it be construed to be a waiver of any such right, power or remedy, or an acquiescence in any similar breach or default; nor shall any waiver of any single breach or default be deemed a waiver of any other breach or default theretofore or thereafter occurring. Any waiver, permit, consent or approval of any kind or character on the part of any Party of any provisions of this Reorganization Agreement must be in writing and must be executed by the Parties to this Reorganization Agreement and shall be effective only to the extent specifically set forth in such writing.
